Sheetal Story

Technology that leads, Quality that stays.

Sheetal, one of the leading brands of India is an industry leader in water storage tanks/ chemical tanks, pipes and solid waste management category. Known for quality, durability and innovation, Sheetal has many unique distinctions like holding an ISO 9001:2008, BIS(IS:12701), MSME & NSIC certification and being a registered vendor of DGS & D and Indian Railways.

After a humble beginning in 1989, the Sheetal Group began spreading its wings with portfolio of innovative products, recognitions and appreciations. Sheetal aims at providing more products that reinforces its brand promise - "A Timeless Bond" and continues in its quest to earn the trust and loyalty of its wide customer base across the nation.

Sheetal Suraksha

Sheetal Group presents high quality, innovative and trendy water tanks - SHEETAL SURAKSHA PREMIUM & SURAKSHA PLUS made of rough textured Polyethylene Blow Mould Technology with following features:

- 100% virgin plastic & FDA compliant material
- Blow-Mould Technology to ensure superior strength
- UV stabilized layer for excellent durability
- Unique colour & design

Specifications of Sheetal Suraksha Water Storage Tanks			
Capacity in Litres	Outer Dia. (mm)*	Over all Height (mm)*	Man Hole Dia. (mm)*
500	885	1100	430
750	1005	1165	430
1000	1110	1275	430
1500	1260	1450	430
2000	1400	1600	430

*Dimensions may vary a little

Cutting Edge Technology

Blow Moulding is the latest manufacturing technology that is used by Sheetal to make Suraksha Tanks. The blow moulding process begins with melting down the plastic and forming it into a parison. The parison is a tube-like piece of plastic with a hole in one end through which compressed air can pass. The parison is then clamped into a mould and air is blown into it. The air pressure then pushes the plastic out to match the mould. Once the plastic has cooled and hardened the mould opens up and the part is ejected. Suraksha water tanks are manufactured with Food Grade Material which ensures purity of water being stored in the tank. These tanks are also a perfect example of high quality, strength & durability.

The process

SHEETAL[®]

A Timeless Bond

PRODUCT RANGE:

WATER STORAGE TANKS • PIPES & FITTINGS • PALLETS
DUSTBINS & TROLLEYS • CHEMICAL TANKS • ROAD SAFETY EQUIPMENT • GARDEN PIPES
